1842.270 Contracting officer technical representative (COTR) delegations.

- (a) The cognizant contracting officer may appoint a qualified Government employee to act as their representative in managing the technical aspects of a particular contract. If necessary, the contracting officer may appoint an alternate COTR to act during short absences of the COTR. Technical organizations are responsible for ensuring that the individual they recommend to the contracting officer possesses training, qualifications and experience commensurate with the duties and responsibilities to be delegated and the nature of the contract.
- (b) NASA Form 1634, Contracting Officer Technical Representative (COTR) Delegation, shall be used to appoint COTRs. A COTR's duties and responsibilities may not be redelegated by the COTR and the COTR may be held personally liable for unauthorized acts. However, this does not prohibit the

COTR from receiving assistance for the purpose of monitoring contractor progress and gathering information. When an individual is appointed as a COTR on more than one contract, separate delegations shall be issued for each contract. A separate NASA Form 1634 will be used to appoint an alternate COTR.

- (c) A COTR delegation remains in effect throughout the life of the contract unless canceled in writing by the cognizant contracting officer or at any level above that contracting officer. The contracting officer may modify the delegation only by issuance of a new delegation canceling and superseding the existing delegation.
- (d) A COTR shall not be authorized to initiate procurement actions or in any way cause a change to the contract or increase the Government's financial obligations. However, delegations may be made to construction contract COTRs to sign emergency on-site change orders with an estimated value not to exceed the value specified in writing by the contracting officer in the NASA Form 1634 but in no event to exceed \$25,000.
- (e) Each COTR shall acknowledge receipt and accept the delegation by signing the original delegation letter. The original of the COTR delegation letter shall be filed in the applicable contract file. Copies of the signed COTR delegation letter shall be distributed to the COTR, the contractor, and each cognizant contract administration office. Acknowledgment and distribution for terminations of COTR delegations and COTR delegations which revise authority, duties and responsibilities shall follow the same rules.
- (f)(1) Mandatory training for COTRs and their alternates shall include the following core topic areas:
- (i) Contracting authority and contract modifications (including non-personal services and inherently governmental functions);
 - (ii) Inspection and surveillance;
- (iii) Changes and performance-based contracting:
- (iv) Contract financial and property management (including "Limitation of Cost" clause, Anti-Deficiency Act, "Limitation of Funds" clause); and
